Special Masters
My fellow NOBA Members,

Autumn can be such a refreshing time of the year! As we witness the transition of the seasons, ‘tis the season which can also serve as a reminder for us to take our own personal inventories and prune the clutter of those things we do not need!

As the summer comes to an end, there are many reasons for you to fall in love with NOBA all over again! You have witnessed some of the wonderful programming our committees and committee chairs have put on throughout the year. Behind the scenes we have been hard at work in strategically planning how to move NOBA forward in the years to come so that we can continue to offer quality programming and services to the members of our Bar.

During the month of October, we have lots in store including our History En Banc CLE, our Annual President’s Award, to our Bench & Bar Build with Habitat for Humanity, and our closing Tricentennial Reception at the Cabildo! Flip the pages to learn more about these wonderful events!

Dana M. Douglas
President

Stop! Don’t Touch Me There

Stefanie Allweiss will walk you through a few simple preventative measures and protections your clients, and you, as law firms, should be aware of. Businesses and firms owe it to their employees to create an open dialogue that is needed to effectively communicate those concerns. The return benefit from talking with employees is “priceless.” Avoid the drama. Avoid the Lawsuit. Avoid being front page news... DON’T avoid this seminar!
